NOTICE

Sub.: Empanelment of two hospitals to get cardio services for our employees.

It is to notify that following two hospitals are empanelled for providing the services concerned to heart treatment.

1. M/s Saraswati Heart Care & Research Center Pvt. Limited, 5/1, Lowther Road, Darbhanga Colony, Allahabad. Phone No. (0532) 2461096, 2461882 (The details of available services are given at Annexure –S)
2. M/s Heartline Cardiac Care Center, 14/8 Elgin Road, Civil Lines, Allahabad. Phone No. (0532) 2614444, 260 1903 (The details of available Services are given at Annexure – H).

The conditions are as given below:

- (i) No registration fee etc is to be paid.
- (ii) The employees have to get the referral slip from the Institute hospital. In case of emergency the hospital shall entertain the patients on the basis of producing I-Card/Pay Slip etc. On next working day the referral slip may be obtained and submitted.
- (i) For any routine check up recommended by Institute hospital, the Employees have to make the payment as per approved rates, which are available with the hospitals. Later on the reimbursement may be claimed. Any medicines recommended will be provided by the dispensary.
- (ii) For admitted patients the hospitals will raise the bill directly to the Institute. The hospital will provide the service 24 hours on all the days.
- (iii) If any employee wants to avail the facility of higher category of room than the entitlement then the difference of room charges and other treatment linked with the room category will paid by him directly to the hospital
- (iv) The hospital will provide the category of room as per declaration of employee. For any wrong declaration the employee will be responsible.
- (v) During admission if there is need of any test/service beyond those listed in the contract hospital will be provide the same at appropriate rates, and will be included in the bill.
- (vi) The expenditures of medicines supplied by the hospital/purchased from outside during admission for initial Management/Investigation will be reimbursable. Further if any patient is admitted under package charges and remains admitted beyond the period of package then the extra charges for the hospital services and medicines etc. will also be reimbursed and hospital will include in the bill.

- (vii) For the admitted patients after discharge for follow up action consultancy fee of Rs. 150/- is to be paid by the patient and claim for reimbursement. The referral slip may be taken and money receipt may be collected from the hospital. The medicines will be supplied by the dispensary.
- (x) The details of services are given in annexure –S for M/s Sarswati Heart care and research center Pvt. Ltd. and in Annexure –H for Heart Line Cardiac care center.
